# Don't be someone who turns people off

There are a handful of ways to do that:

- Fulfill your promises
- Be honest
- Be trustworthy
- Give credit where credit is due
- Be mindful and emotionally intuitive
- Manifest humility
- Be willing to admit you're wrong
- Offer help when it's needed
- Treat others with respect
- Be charitable
- Be patient

Intelligence and ambition are valuable traits, but even so, a lack of integrity won't make you stand apart from the others
