QUALITY MANAGEMENT SYSTEM

**OPPORTUNITIES
AND
ACTION PLAN**

Edition: 01
(Issue status: 1)

STEEL AUTHORITY OF INDIA LIMITED
CENTRE FOR ENGINEERING & TECHNOLOGY
RANCHI - 834002

MARCH 2018

CET-QMS-OA

IMPORTANT NOTES

1. Opportunities and Action plan is a confidential document for internal circulation and shall be used for Quality Management System (QMS) of Centre for Engineering & Technology (CET). It shall neither be reproduced in any form nor used for any other purpose except with the written permission from Management Representative (MR) of CET, Ranchi.
2. The fonts will be normal in case of issue of new edition. However, the fonts will be highlighted in bold and italics in case of revision of the existing edition. The issue status of chapters will be '0' in case of new edition of the manual. The issue status subsequently will be 1, 2 etc. for each revision of the existing edition. While making a new edition (In case of many changes in the manual), issue status will again be '0' for the new edition number.
3. All documents and records can be stored in hard/ soft copy. Transmission can also be done in hard/ soft copy.
4. In case of soft copy being transmitted through e-mail, signature is not necessary.
