India: BigMint's billet index inches up by INR 50/t d-o-d - 4 Oct

04 Oct 2024

BigMint's billet index increased by INR 50/t to INR 41,900/t exw-Raipur as of 4 October 2024.

The index remained range-bound today, with a slight increase driven by neighboring market influences. However, buying activity was slow, and intraday sentiments remained weak across the semi-finished and finished steel segments. Sufficient bookings had already been placed in the past few days, contributing to a hold-back situation day-on-day, as rising spot offers deterred further bookings. Around 1,300 t deals were recorded today, compared to 4,300 t on 3 October.

In the finished steel segment, 1,300 t deals in rebar were recorded, with prices increasing by INR 400/t. Wire rod prices, on the other hand, fell by INR 100/t day-on-day. Additionally, prices of sponge iron rose by INR 400/t day-on-day.

In addition, the conversion spread from sponge iron (PDRI) to billets for standalone furnaces in the region was recorded at INR 12,850/t.

Rationale:

This index has been derived based on transactions, offers, bids, and indicative price datasets. Transactions are considered as T1 and given a weightage of 50%, whereas other datasets are

considered as T2 and given a weightage of the balance 50%.

- **Transactions (T1):** Two trades at INR 41,900-42,000/t were recorded between 2:30 pm and 5:30 pm during the BigMint trading window. These were considered for the final price calculation as T1 inputs. The average price of these transactions was INR 41,976/t, which was assigned a 50% weightage in the final price calculation.
- **Other price indicators - bids/offers/indicatives (T2):** Ten offers were reported during the trading window and considered as T2 inputs. The average price of these ten offers was INR 41,870/t, which was assigned a 50% weightage in the final price calculation.

The final price of billet exw-Raipur was INR 41,923/t, rounded off to INR 41,900/t exw.

From BigMint Team - While it would be our earnest endeavour, at BigMint, to bring about transparent and unbiased price index reporting, we would request all our readers and subscribers for their feedback and if they could participate in the reporting of more transactions.
