India: BigMint's billet index softens by INR 300/t d-o-d amid limited buying - 14 Jul

14 Jul 2025

BigMint's daily billet index dropped by INR 300/tonne (t) d-o-d, settling at INR 36,500/t exw-Raipur on 14 July 2025, as buying interest stayed muted despite lower spot offers.

Market momentum slowed significantly, with weaker sentiment dragging prices down in the semi-finished segment. Even as offers softened, buyers stayed cautious due to a lack of support from finished steel sales, leading to restricted bookings in the billet market. Limited buyer participation further compounded the downtrend across both semi-finished and finished steel segments.

Market snapshot

Rebars declined by INR 200/t d-o-d, while wire rod prices decreased by INR 300/t, with buyer participation remaining limited.

Sponge iron prices in Raipur inched up by INR 50/t d-o-d, in line with weakening sentiment and reduced raw material demand.

The spread from sponge iron (PDRI) to billets for standalone induction furnaces in the Raipur cluster settled at INR 13,150/t.

Rationale

This index is derived based on transactions, offers, bids, and indicative price data sets. Transactions are considered T1 and given a

weightage of 50%, whereas other data sets are considered as T2 and given a weightage of the balance 50%.

Transactions (T1) - Three trades at INR 36,400-36,500/t were recorded during the 2:30 pm to 5:30 pm BigMint trading window and considered for final price calculation as T1 inputs. The average of these transactions was INR 36,484/t, which was given a 50% weightage in the final price calculation.

Other price indicators - bids/offers/indicatives (T2) - Nine offers were reported in the trading window and considered as T2 inputs. The average price of these nine was INR 36,550/t and given a 50% weightage in the final price calculation.

The final price of billets was INR 36,517/t exw-Raipur, rounded off to INR 36,500/t exw.

From BigMint Team - While it would be our earnest endeavour, at BigMint, to bring about transparent and unbiased price index reporting, we would request all our readers and subscribers for their feedback and if they could participate in the reporting of more transactions.
